

## **Lesson No: 6**

### **TELEVISION VS. NEWSPAPERS**

**Q: How is a newspaper more convenient medium of news?**

**A:** A newspaper is more convenient medium of news because it does not require us to sit at a proper place and read the news. It can be read at any time, at any place. We can also omit certain aspects of our own choice of the news.

**Q: How does a viewer get restricted while watching TV news?**

**A:** The television wants its viewers to be at a certain place at a certain time in order to watch and listen to the news because news channels broadcast news at a particular time and thus a viewer gets restricted while watching TV news.

**Q: In what way viewing news on TV is easier than reading a newspaper?**

**A:** Viewing news on TV is easier than reading a newspaper because it broadcast the news as it is happening with everything as visual and auditory which is easier for a person with knowledge of broadcast language while newspaper requires proficiency in the language for better understanding.

**Q: How do newspaper give us more in depth coverage?**

**A:** Newspapers give us more in depth coverage through editorials, columns, expert opinion of the writers and the feedback of the readers to the forum pages in response to the articles.

**Q: Why do some people read more than one newspapers?**

**A:** Some people read more than one newspapers to get different viewpoints of the story and to check for its validity.

**Q: How can readers give feedback to the newspaper articles?**
