

ELIGIBILITY FOR MDCAT 2022

As per the decision of the council, the restriction of 16 years age limit for appearing in the MDCAT exam has been removed. All applicants under 16 years are now eligible to apply for MDCAT 2022. All such candidates are advised to apply for MDCAT registration from 16th - 20th July 2022. Please note that this special registration window is only for candidates under 16 years of age
